○ Certificate of Graduation

- Successful candidates are required to prepare multiple copies of apostilled or consular confirmed graduation certificate before their entry to Korea. Scholars may need to submit their authenticated certificate to their degree university (for an issuance of Standard Admission Letter), to an embassy (for visa issuance), and to Korean immigration office (for a renewal or an update of their status of residence in Korea)
- ※ This prevents scholars from returning to their home country to retrieve another set of apostilled or consular confirmed graduation certificates that are needed for an issuance of Standard Admission Letter after they are finished with their Korean language program

○ Final Successful Candidates who are currently residing in Korea

- Final successful candidates who have Korean residence visa (D-4, D-2, etc.) may not be able to receive a new visa for their Korean language program or degree program in Korea*

* To avoid any visa related issues, after the final announcement, final successful candidates who are residing in Korea should contact the Immigration office immediately to inquire about a new visa. Your inquiry should entail the necessary procedure and required documents in obtaining a new visa

- Entry airfare will NOT be provided to newly selected scholars who are residing in Korea at the time of the final announcement
